Asst Secy's note above

As long as these Officers continue to be members of the agrl services they would like to know their position in the list and it is therefore submitted that the supply need not be discontinued. These officers need not worry the papers may be "lodged"

The com. has sent us their reference to their note at in part of

Com. ref 2 S^ of (D)
A.S.'s observation above is true as regards their part not of the subject. The subject which part it is proposed to add to the M.S. cadre. As regards the officers, if by virtue of this position in the Dept. he should continue to get a copy of the M.S. officers list, one copy alone may be sent out and the number fixed at 5 is misleading.
